

# Manage Leon Account

## Account Details

The section Manage Leon Account found in settings is a place where administrators have access to the billing details and subscription conditions. In this section you can:

- Check/download the **Subscription Plan** (top of the page) and **Terms of Service** (bottom of the page)
- Check the current prices
- Edit billing information
- Edit credit card details
- Check the monthly charges for each aircraft
- Check the billing statements and download invoices

This is also a place where you can cancel the subscription at any point.
