Selecting suppliers in Multi Leg Requests panel

MULTI LEG REQUESTS panel has been created to allow quick & easy arranging of such services, as: Handling, Catering, PAX Transport and Slot/PPR.

The **1st step** to use this functionality is right-clicking on the flight (or marking multiple flights) and SELECT SUPPLIERS selecting

In the new window Leon will show selected trip/trips with possibility of selecting suppliers (see screenshot on the right).

Suppliers selected in the 'Airport Directory' as "favourite" (marked with the yellow star), will show

automatically. The other ones can be selected manually, or by clicking the button
