Report 'Airport Categories' - the list of all airports/airfields available in Leon

This report shows **all airports** available in Leon. Use the filter in this section to define what exactly should be displayed here. You can search the report by:

- ICAO/IATA airport code
- City
- Airport name
- Country
- Category

You can also switch from 'Airport' to 'Custom airfield' to search for airfields or helipads (usually added to Leon manually upon request).
