

# FLEET

This panel allows adding previously defined (in separate panels) **Airport** & **Aircraft** Fees.

Edit the aircraft, select an airport & aircraft fee and SAVE. Once it's done, the selected aircraft will show **copied** fees.

EDIT PROFILE FOR B-ARTI

Airport Fees: Default

Aircraft Fees: All tails

Pictures: [EDIT PICTURES](#)

Additionally you can upload **pictures** for this particular aircraft and then make it displayed in your 'Requests/Quotes' panel documents with the help of [Documents Manager](#), where in Available Data > Aircraft you can find an item 'Pictures' to be used.
