

# Welcome to Leon Software online help center

Select one of the areas you want to go:

- **Getting Started**

Installation manual with step by step instructions covering all aspects of the account setup.

- **Leon manual**

Official Leon Manual where you can find tips and tutorials on using the software as well as detailed explanations of every function in Leon with many screenshots describing the application usage.

- **Mobile application**

Our separate iPhone/iPad/Android application manual.

- **Recent updates explained**

When we release a new version of Leon, main 'Manual' is updated but also detailed explanation of particular affected areas are covered here. Links to this section are attached to release notes which we send out before each release. Please sign up to our newsletter on [www.leonsoftware.com](http://www.leonsoftware.com) if you want to receive release notes.

- **Video tutorials**

Here you can find the list of all our video tutorials sorted by topics.
