

Introduction

According to **EU OPS 1.1020**, points (a) & (b) - an operator shall ensure that each cabin crew member who has been **absent from all flying duties for more than 6 months** and still remains within the period of the previous check required by OPS 1.1025(b)3 **completes refresher training** specified in the Operations Manual as prescribed in Appendix 1 to OPS 1.1020.

Also, an operator shall ensure that when a cabin crew member has not been absent from all flying duties, but **has not, during the preceding six months, undertaken duties on a type of aeroplane as a cabin crew member** required by OPS 1.990 (b), before undertaking such duties on that type, the cabin crew member either:

1. completes refresher training on the type; or
2. operates two re-familiarisation sectors during commercial operations on the type.

180 days currency

To make this feature work properly, first activate it in the filter of the section Crew > Duties

Cockpit crew status

☐ 90 days currency (cockpit)

☐ Endorsements required for dispatch

☒ 180 days currency (cabin)

If there is at least **1** flight added to Leon (for a particular acft type) with a cabin crew member assigned (**Journey Log** is mandatory) - the system will update the status of **180 days currency**, so when you hover the mouse over the status-dot, the information appears in the pop-up window.

180 days currency (cabin)	
F900 (days left to expire)	80
G450 (days left to expire)	172

The **dot-colour** changes according to the number of days left to expire.
