In many cases crew members finish their duty on the next calendar day. In the '**FTL Sheet**' report, if such a duty is done, the **duty-end date** is displayed right next to the exact duty-end time and the next day duty-time is **blank**.

- **Example 1** - single leg trip.

The duty starts on **13-02** at 21:00 UTC, ends on **14-02** at 10:25 UTC.

Date	Duty Type	Duty Start	Duty End
13-02-2014	LTN-BKK	21:00	10:25 (14 Feb)
14-02-2014	G-LEON		

- **Example 2** - 2-legs trip.

The duty of the **1st leg** starts on **01-03** at 22:00 UTC, ends on **02-03** at 02:00 UTC.

The duty of the **2nd leg** starts on **02-03** at 21:00 UTC, ends on **03-02** at 00:45 UTC.

Date	Duty Type	Duty Start	Duty End
01-03-2014	WAW-VKO	22:00	02:00 (2 Mar)
02-03-2014	VKO-WAW	21:00	00:45 (3 Mar)
