Introduction

According to **EU OPS** 1.1020, points (a) & (b) - an operator shall ensure that each cabin crew member who has been **absent from all flying duties for more than 6 months** and still remains within the period of the previous check required by OPS 1.1025(b)3 **completes refresher training** specified in the Operations Manual as prescribed in Appendix 1 to OPS 1.1020.

Also, an operator shall ensure that when a cabin crew member has not been absent from all flying duties, but **has not, during the preceding six months, undertaken duties on a type of aeroplane as a cabin crew member** required by OPS 1.990 (b), before undertaking such duties on that type, the cabin crew member either:
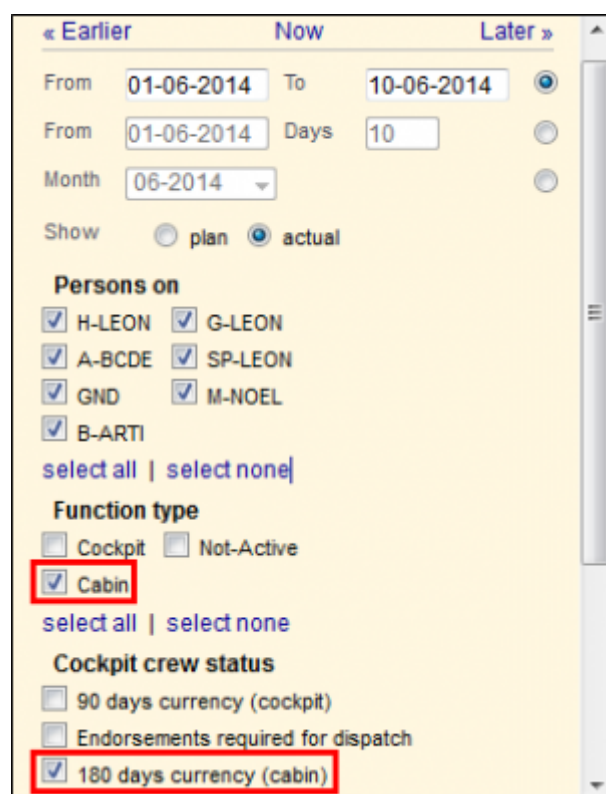

1. completes refresher training on the type; or 2. operates two re-familiarisation sectors during commercial operations on the type.

180 days currency

If a cabin crew member has not been assigned to a flight within the last **180 days**, in the section `Crew > Duties` Leon will mark the status-dot in red ☒ (if this option is turned on in the filter).

If cabin crew member has been assigned to a flight and the **Journey Log** has been added, the status-dot will either be green ☒ (if more than 60 days left for the '180 days currency to be expired'), or yellow ☒ (if less than 60 days left).

- **Turn the option on in the filter**
