## Endorsements for Airports - possibility of deleting

In the section '**Endorsements for Airports**' we have added a new column: **Date of Issue**, where you can add appropriate information.

When editing endorsements for airport, whether it's **'Airport brief'** or **'Training'**, you will be able to delete any of those endorsements by clicking on  which will bring up a pop-up window with a question: you are going to delete LONDON CITY (EGLC) for JSM - James Smith ? After clicking 'OK' you will need to update the change.
