

This report can be useful if you want to receive emails (twice a day) at certain time about all flight changes done each day.

Go to the report Flights Changes (**Reports > Flights Statistics**) and insert email address to which a file should be sent out along with other details (see below).

Reports > Flights Statistics > Flights changes

Email address

ops@abcaviation.com

2 emails a day will be sent out: at 12:00 and 00:00 about flight changes

Send emails every day at UTC

12:00

hour ?

Send emails every day at UTC

00:00

hour ?

How many days forward incl. current day

5

Save

If changes are done within 5 days from the current day - emails will be sent out

Below is an example of the email that Leon sends to the recipient with the **attached Excel file** with all new, changed or deleted flights.

If you open it, there are different colours meaning different kind of changes:

- **green** - a new flight/flights added.
- **white** - no changes done.

Date	ID	Flight No.	Status	Aircraft Ty	Reg.	STD [UTC]	ADEP	ADES	STA {UTC}	Handling	Handling Agent	ADEP
14-05-2014	1117090	1234	Flight	G450	G-LEON	10:00	KENW	EPWA	11:00		EXCEL HANDLING	
14-05-2014	1112003	222	Flight	G450	D-LEON	12:00	EPWA	LEMG	14:45	LOT RAMP	SVCS
