

This report can be useful if you want to receive emails (twice a day) at certain time about all flight changes done each day.

Go to the report Flights Changes (**Reports > Flights Statistics**) and insert details (se

Reports > Flights Statistics > Flights changes

Email address: ops@abcaviation.com

Send emails every day at UTC 12:00

Send emails every day at UTC 00:00

How many days forward incl. current day: 5

Save

2 emails a day will be sent out: at 12:00 and 00:00 about flight changes

If changes are done within 5 days from the current day - emails will be sent out

Below is an example of the email that Leon sends to the recipient with the **attached Excel file** with all flights where changes were done.
