

Payments

If you use an item **Payments** in your Sales checklist, Leon will show in the CALENDAR section an additional icon \$ in the flight's rectangle (right next to the checklist dots) in 3 colours: red, yellow & green.

The colour of the icon \$ corresponds with the colour of the 'Payments' item's status (see examples below).

Sales checklist items

To enable this option in the Calendar, you need to mark a checkbox ☒ Payment status in the left filter, tab SHOW
