

CREW CALENDAR

New way of filtering crew in the Crew Calendar panel has been implemented. It is now possible to filter out crew by **Aircraft registration** and/or **labels** assigned to particular aircraft tails.

In section **Fleet** edit aircraft profile, under tab **Basic**, it is possible to assign labels to aircraft tail. Under tab **Crew** of the same section it is also possible to assign specific crew members who have ratings on that particular type. If this is done, Crew Calendar **Filter** pop-up window allows to filter out crew either by Aircraft Registration and/or by specific Aircraft labels. This is especially useful for operators with larger fleet as the same label can be assigned to more than one aircraft tail hence it is not necessary to select all aircraft registrations in the filter.

The screenshot displays the Crew Calendar interface. At the top, there's a header with 'TIMELINE', a refresh icon, a date range '01 Feb - 31 Mar 2021', a 'TODAY' button, a time zone dropdown set to 'UTC', and a 'Drafts' section with 'ON' and 'OFF' buttons, a 'PUBLISH' button, and a 'SEND' button with a checkmark.

The main calendar grid shows dates from 01 to 14. The first column is labeled 'B-AITI'. The first row shows 'Bartoli Aaron' with a red dot and 'HOL' in a green box. The second row shows 'Thomas Delta' with a red dot, 'ADMIN' and 'MANAGEMENT' tags, and a red dot. The third row shows 'Tom Arayanic' with a red dot and 'WAW' tag.

A 'Filter' pop-up window is open on the right. It contains the following sections:

- Crew members**: A text input field.
- Crew labels**: A text input field.
- AOC**: A dropdown menu set to 'All'.
- Position types**: A list of checkboxes for 'Cockpit CPT', 'Cockpit FO', 'Cockpit OTHER', 'Senior Cabin', 'Cabin', 'Maintenance', 'GROUND', and 'Other Ratings'. Below the list are 'Select All' and 'Select None' buttons.
- Aircraft types**: A list of checkboxes for various aircraft types including GLEX, A20N, B742, H25B, SF34, HDJT, B733, G200, AT76, F900, CL30, FA8X, C525, GND, E135, TEST, C150, X-COM, P180, C56X, CL60, GLF5, B744, E50P, B734, C25B, A10, A319, FA7X, CL35, and GLF4. Below the list are 'Select All' and 'Select None' buttons.
- Aircraft registrations**: A text input field with a dropdown menu showing 'B-AITI'.
- Aircraft labels**: A text input field with a dropdown menu showing '222'.

At the bottom right of the filter window are 'RESET' and 'SEARCH' buttons.
