

Hotels in Crew Timeline

The following changes will be introduced to the hotel bookings in Crew Timeline:

- Hotel booking, regardless of the status, always presented at the end of the day
- If the hotel is booked across the number of days, the **H** icon will appear on each day for which the hotel is booked, excluding the check-out date

The **below screenshot** represents the hotel booking for two crew members with the check-in on 17 Feb and the check-out on 19 Feb. The **H** icon appears at the end of each day on 17 Feb and 18 Feb, except the 19 Feb which is the check-out day.
