

CREW section changes

We have introduced a few changes in a section **CREW** on the menu bar.

1. **My Schedule** - this section shows Work Schedule page but with the view on only logged in crew member's flights & duties.
2. **My Logbook** - here a logged in crew can view Personal Flights List report for only his own flights.
3. **My Logbook Export** - is the new name for Logbook Export section.
