

Crew profile re-arranged

We have slightly re-arranged a crew profile window.

1 - crew **Ratings** have been moved to a separate tab.

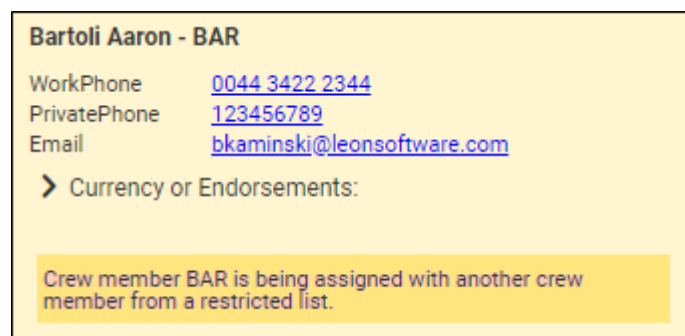

2 - we have added a new tab **Other**.

A tab **Other** allows to select crew members with whom the edited crew member **should not** fly with (for whatever reasons). Click on the field and select person/persons from the list.

The screenshot shows the 'OTHER' tab selected in a crew profile window. Below the tab, there is a section titled 'Do Not Fly With'. Under this section, there is a dropdown menu with a three-dot icon, and three buttons: 'TAR Tom Arayanic', 'DEL Thomas Delta', and 'AGA Adam Garcia'.

Once it is saved, when a crew planner has assigned crew with someone from a **restricted list**, Leon will show a caution (crew code highlighted in yellow) - as long as in the 3-dot filter (section 'Cautions') a checkbox 'Do not fly with' is marked.

The screenshot shows a crew member profile for 'Bartoli Aaron - BAR'. It includes contact information: WorkPhone (0044 3422 2344), PrivatePhone (123456789), and Email (bkaminski@leonsoftware.com). Below this is a section for 'Currency or Endorsements'. At the bottom, there is a yellow caution box that reads: 'Crew member BAR is being assigned with another crew member from a restricted list.'
