# ENDORSEMENTS RENEWING

It is possible to select which crew endorsement should be renewed, when adding a duty type **Training** or **Simulator** to Leon.

When adding a training to crew in 'Crew Calendar' or 'Crew Timeline' panel, at the bottom of the duty edition window there is a dedicated field **Renewal endorsement** - select an endorsement/endorsements from the list.

Exactly the same can be done when adding **SIM** duty (from CREW or OPS panel).

When editing crew 'Personal Endorsements' (in the 'Full Profile' page), Leon will show a new column

Scheduled renewal / revalidation date, in which there will be a training or SIM date displayed.
