

APPROVING FTL VIOLATIONS

Leon allows approving FTL violations and showing this information in the OPS panel.

The **1st step** is approving the FTL violation in the **FTL Violations** report. Open this report's filter (in top-right corner of the page), mark a checkbox **Show report status** and click 'Show'.

On the right-hand side of this report, Leon will show a column **Approved** with a checkbox, which needs to be marked. It is also possible to insert a 'violation note', which will also show in OPS panel.

Approved	Discretion reported to CAA	Violation note
<input checked="" type="checkbox"/>	Not Required	<div>Approved by chief pilot</div>

Once it's done, in a tab CREW > FTL Calculations of the OPS panel, Leon will show the approved FTL Violation.
