It is possible to save a Journey Log without some data inserted into it.

In the section `Admin > Operator settings > Flight editing` you need to mark a checkbox **'Allow not completed JL to be entered'** and save.

Invalid Link
Not completed Journey Log

You can enter completed flight times to Journey Log (BLOFF, T/O, LDG, BLON) and **leave fuel data unfilled**, then save changes.

Or, you can enter not completed fligt times (only T/O and LDG or only BLOFF and BLON) leaving fuel data unfilled and also save the Journey Log.

Not completed Journey log is marked in **yellow** in the 'Flights List' as . Once it's filled in completely it becomes green
