

SELECT SUPPLIERS

An option **SELECT SUPPLIERS** has been added to the **OPS** panel to allow quick selection of **SLOT**, **HANDLING**, **CATERING** and **PAX TRANSPORT** suppliers.

In order to make this work, right-click with the mouse over a flight - or mark **multiple** flights, even if they are assigned to a different aircraft and are a separate trip - and select this functionality from the list.

SHOW TRIP HISTORY

SHOW SCHEDULE

Leon will show a window where on top there are flight's details:

121 • Mon, 05 Apr 2021 • D-LEON • KHI 02:00Z • ✈️ • 04:00Z ISB • 5 PAX

Below Leon shows Slot (ADEP & ADES), Handler (ADEP & ADES), Catering and PAX transport (ADEP & ADES) fields - click them to select suppliers from the list.
