

SELECT SUPPLIERS via Handler

Leon allows to select suppliers **via handler** in the 'OPS' panel. In order to use this functionality, follow these steps:

1. Right-click on the flight and choose **SELECT SUPPLIERS** option.

2. When the window shows, click the button VIA HANDLER next to items such as: **Catering**, **PAX Transport ADEP** or **PAX Transport ADES** - Leon will show handlers selected in the 'OPS' checklist.

Catering	SWISSPORT EXECUTIVE GENEVA		VIA HANDLER
PAX transport ADEP	SWISSPORT EXECUTIVE GENEVA		VIA HANDLER
PAX transport ADES	FAS FRANKFURT AVIATION SERVICE		VIA HANDLER

3. Once it's saved, 'OPS' checklist will automatically show items to which the option 'VIA HANDLER' was used with suppliers selected as handlers.
