Crew FDTL

Report 'Crew FDTL' - duty & block time date for selected period of time

This report shows crew **Duty time** & **Block time** for selected period of time. Data displayed is based on all flights (also those without Journey Log added). Leon takes flight's start time/date so if i.e. duty/block started on 31 of August and finished on 01 September Leon will include it into August data.

In the filter you can choose:

- **start date** - Leon will show data for 7 days, 28 days & 12 months (for Duty time) plus 28 days & 12 months (for Block time).
- **date range** - summary of total Duty time & Block time will be displayed for all added flights.

You can export this report to either **PDF** or **Excel** file.
