New in Requests/Quotes

We added the following new features to the 'Requests/Quotes' section:
1. **Editing the requester/representative in quote editing section**
2. **Default VAT rate per request**

Editing requester/representative

Editing the requester or representative

It is now possible to **edit a requester/representative** by clicking on icon located next to requester/representative box in quote edit section.

Clicking on this icon opens editing pop-up window presented in the screen on the right-hand side.

The changes applied in 'Edit requester/representative' pop-up window will apply instantaneously.
