

Automatically update quote on schedule change

Automatically update quote on schedule change allows setting up and automated update of itinerary and recalculation of the price of the request if the itinerary is changed in the OPS section.

Quote settings

Automatically update quote on schedule change☒

There are the following scenarios that apply, based on the **Automatically update quote on schedule change** checkbox setting:

- Checkbox is ticked** - schedule updates automatically and the price is recalculated based on the 'Recalculate itinerary' method as soon as the changes are saved in the OPS section:
