Changes history window

Clicking on '**Show changes history**' option will generate a pop-up window with details regarding any quote changes such as:

- aircraft changes
- quotation status changes
- price changes
- trip schedule changes

In the changes history window, Leon shows a chronological list of all changes (the latest on top). The **colours indication** shows added data in green, changed data in yellow and removed data in red.

When you click on the changed detail, Leon highlights previous entrances of the same detail.
