

- **Price = Cost / (100% - Margin%)**

The **sales documents** will still present the total price from the 'Price' box above the itinerary.

In case if the default method changed from 'Costs & margin' to 'Price based' in the 'Fleet' settings, and you wish to recalculate existing quote based on the updated method, simply select 'DELETE QUOTE' and then 'ADD QUOTE' options. Leon will requote based on the new default method.
