# POSSIBILITY TO SORT QUOTES IN 3 DIFFERENT WAYS

Sorting option in 'Requests/Quotes'

It will be possible to sort the quotes in 3 different ways, using the field available in the Summary tab.

1. **Booked, offered, price** - this is the default way of sorting, in which the quotes will be sorted in the following way:
    1. Booked
    2. Offered, ordered by the ascending price
    3. The rest, ordered by the ascending price
2. **Price ascending** - the quotes will be ordered by the price, ascending
3. **Operator status, price** - in this case, the order is following (in each group sorting by ascending price):
    1. Own fleet
    2. Accepted
    3. Unanswered
    4. Rejected
