

Adding new crew to Leon

Adding new crew to Leon

Adding new crew to Leon can be done from a tab **CREW** by clicking the icon  placed right next to crew names.

In an User Edit screen you need to insert a few mandatory details, such as: Name, Surname, Code, Permission group, Login and Sex. All other details are optional.

You can also add **passport** details from this screen (1 or more) and attach a pdf scan.

Section **Ratings** allows to add appropriate aircraft positions to each new crew.
