

To manually change reporting times: **Reporting On** and **Reporting Off**, click on the crew code and the tab CREW will open in the right-hand filter. Right below the crew code there is **FTL CALCULATIONS** panel - click on it to open FTL details section.

FTL CALCULATIONS FOR TOM ARAYANIC		
FDP Sectors		
Report On	Schedule	Report Off
11:10 <div>A</div> <div>M</div>	12:00 WAW GVA 14:35	15:05 <div>A</div> <div>M</div>

[Manually changed reporting times](#)

In columns **Report On** and **Report Off** you can see AUTO which simply states reporting time that's been set up based on OM7 regulation. Right next to it there is an option **M** which gives you a possibility of changing the default reporting times. You can adjust different reporting times for different crew members, if necessary.
