

Custom filtering in Aircraft Filter

Sort By		
Registration	↕	Active
<input checked="" type="checkbox"/>	Tail	Type Opr
<input checked="" type="checkbox"/>	?	
<input checked="" type="checkbox"/>	A-BCDE	A319
<input checked="" type="checkbox"/>	A-TEST	B744
<input checked="" type="checkbox"/>	B-ARTI	F900
<input checked="" type="checkbox"/>	H-LEON	H25B
<input checked="" type="checkbox"/>	M-NOEL	GLF4
<input checked="" type="checkbox"/>	A-TEST	B744

Possibility to change the aircraft position in the filter

You can also **customise** the order of display by **drag-and-dropping** the aircraft in the chosen position. Once you have created your own setting, please click on “SEARCH” button so the setup applies to the CALENDAR (or TIMELINE) view. Information in the “Sort by” dropdown will change to “Custom”.

This sorting will remain regardless whether it is in vertical or horizontal layouts.
