Planned flights main screen

We have updated squares colours in Planned Flights view as well as in Calendar view in Schedule section of Leon.

Each rectangle has a background which indicates a stage of realisation of a particular flight or operation. Colour codes are described below:

- **Green** - flight is confirmed
- **Yellow** - flight is not confirmed (option)
- **Gray** - flight is completed (Journey Log has been entered)
- **Blue** - training flight
- **Purple** - any type of aircraft
- **Brown** - maintenance
- **Striped brown** - maintenance option
- **Red** - AOG maintenance
