The main change is adding a new tab **Roster** where schedule and crew changes (cockpit, cabin and other crew) have been moved.

We have also re-arranged other 2 tabs:

Trip - contains now only 2 checkboxes: Invoice and Notes.

Flight - contains the checklist items changes:

- Ops: landing permission, overflight permission, ADEP/ADES slots, fuel
- Handling: ADEP/ADES handling agents
- Crew: hotel details
- Cargo: cargo details
- Pax: pax list and catering
- Customs: ADEP/ADES GAR
- Notes: inserted into notes fields of the checklist
