Wizard Report new options

New columns

- **Client name** - added in Phonebook, selected in a tab TRIP of Schedule.
- **Client code** - added in Phonebook.
- **Offer price** - price of the quotation.
- **Offer currency** - default quotation currency displayed unless manually changed in Sales > Calendar.
- **Invoice note** - note from Sales checklist item 'Invoices'.
- **APU hours** - value from Journey Log.
- **Note** - value from Journey Log.
- **DIV ICAO/DIV IATA** - airport code from Flight Watch > field 'DIV'.

New filter

- **Diverted** - if option 'YES' is marked all flights with an airport code inserted into **Flight Watch** will get displayed as well as flights where ADES in **Journey Log** is different to the one in the schedule.

New list of default columns

We have **shortened** the list of default columns displayed when adding a new report from **27** to just **7** main columns:

- **DATE ADEP Plan UTC**
- **Flight number**
- **Registration**
- **STD UTC**
- **ADEP ICAO Plan**
- **STA UTC**
- **ADES ICAO Plan**
